By signing above I desire that the above noted payment(s) be skipped and I authorize the credit union to advance the due date on the loan(s) specified by one month. I understand that the credit union will not do this if any of my debts at the credit union are past due or if any of my savings/checking accounts are overdrawn, other restrictions may apply. I authorize the credit union to deduct the fee per loan from my savings or checking account unless I enclose another form of payment. I understand that if I do not pay by cash or check and if I do not have the funds available in my savings or checking account on the day the form is received by the credit union this form will be returned to me and my payment(s) will be due as normal. I understand that interest will continue to accrue on the loan(s). I understand that any ACH I having coming in for my loan(s) payment(s) will not be stopped for the month skipped. I understand by skipping a payment, the maturity or final payment date as disclosed on my truth in lending disclosure, and/or security agreement will be extended beyond the date originally disclosed. I understand that loans are eligible for two skip-a-payments per year or up to twelve skip-a-payments per life of the loan. If you have a vehicle loan with GAP Insurance, you may only use the Skip-A-Payment option 2 times within the life of the loan without affecting the GAP payout at total loss. In addition, I am aware that by skipping payment(s) the benefit from disability or life insurance may be reduced by the amount of the payment skipped. I understand that anyone who is a cosigner or joint borrower on the loan(s) must also sign before the payment(s) can be skipped.
